

# PASSION YOUTH MINISTRIES

*Christ centered, youth focused*  
**COVID-19 UPDATE**

Dear Members, Parents, Leaders and Staff:

Due to the currently updated restrictions for PA, we have to cancel meetings until the restrictions are lifted and we feel safe gathering. We believe in safety first. In the meantime, we will provide resources and online lesson links for the youth via email for them to use. Parents PLEASE make these videos available for your children to utilize in place of gathering.

Our staff will begin brainstorming to try and smooth out the situation and minimize the impact of our closing in some way. Thank you, prayerfully this whole pandemic won't last too long! In the meantime, we will work our hardest be flexible! Please be safe and practice social distancing until we meet again. Blessings!
